

What is JISDRIVE

1006PBU

PREMIUM WOOD HANDLE TANG-THRU SCREWDRIVER

Large heavy-duty end cap for loosening rusted or stacked screws.

Premium wood handle with six grooves, delivering a refined look and a secure, comfortable grip.

JISDRIVE®

FOR ALL SCREWS

Have you ever worked on Japanese vehicles and had problems with the screwdriver not fitting well or stripping the screw head? Use the correct tool – try our JISDRIVE instead.
